

Instructions for Authors European Journal of Navigation (EJN)

The European Journal of Navigation consists of the following main parts:

- Cover
- Contents
- Editorial
- Articles (Science, Research Results, Applications and Products)
- Business News, Product News
- Company View
- Member sections: DGON, ION-CH, NIN, NNF, OVN, PIN , PNF
- List of Events
- Advertisements

Language and style of the articles

English (UK) grammar and spelling, in an easily readable style.

Please note that bold and italic text may disappear when converting WORD files into our page layout software programme.

Content of main articles/scripts

- Scientific-oriented or business-oriented article, such as case-studies or project description,
- Practical applications, market analysis reports, interesting experiences
- Papers concerning research results and hardware developments

Articles should be informative and must be related to navigation or position finding.

Volume of articles

Maximum 6-8 pages (DIN A4)

- Text in single column with graphics, tables, photos, etc. embedded in the text
- In addition: Graphics/tables/photos provided separately
- References should be listed at the end of the article (max. 15)
- Footnotes should be kept to a minimum
- A brief biography of the author with photo should be added separately (not part of the volume of the article) (name, academic title(s), position, company/institution plus address and e-mail address)
- The script must be provided in MS WORD (.doc-format)
- For reference purposes, please provide in addition the complete article in .pdf format including all graphics and photos in the intended correct position of the script.

Volume of reports/reviews

Independent reports or reviews of events such as conferences (e.g. of institutions like IMO, ICAO, EC, EuroControl, ESA, etc.), congresses, trade shows, symposia or books, related to navigation and position finding subjects

Maximum 750 words

Please include, if possible, colour illustrations, numbered and an explanation of the illustration.

Illustrations

Illustrations (graphics/tables/photos, diagrams, etc) should be submitted in one of the following digital formats:

- tif, gif, jpg or eps
